A request for approval to the LCDC is sought for the change of contractor on the Carbally Community Development Project. The change is due to the winning contractor not agreeing to accepting the terms and conditions of the works contract. Advice was sought from the Office of Public Procurement on the matter who agreed to award the contract to the 2nd lowest contractor.

An addendum to the contract is now required to change the name of the contractor to Philip Cleary.

No other material change to the original LEADER contract is required.
