Further to approval at the recent March '19 LCDC meeting approving the change of contractor, PST Sport in the Rathgormack North Waterford Community Development project due to the original contractor (Crawford Group) going into administration.. It was agreed that the terms and conditions relating to their original letter of offer would remain. However, the funding rate of 46% was taken from the original contract dated 14th August '17 and included in the new addendum to their contract. There had since been changes to the CRM Department system which resulted in this funding rate been adapted to four decimal places, 46.14973% which was approved at the June '18 LCDC meeting. Approval is now sought to have the recent new addendum to their contract amended to the revised and approved funding rate of 46.14973%.
