Subject: Extension

Hi Jimmy:

Thank you for coming out this morning and I hope you were pleased with the developments.

You very kindly got an extension for us as regards the time frame for the building, now extended to 31st December 2019.

Would it be possible to get an extension for all the payments and paperwork to the end of February 2020? I would be very grateful.

Many thanks for all your help,
Blessings,
Marie
