

Community Mental Health – Small Grant Scheme

This fund is being made available under Round 3 of Healthy Ireland Fund. The funding is for local community, voluntary and sporting organisations to deliver actions or projects which are in line with the Mental Health theme of Healthy Ireland.

Waterford LCDC has been allocated €30,000. The amount sought by applicants was €109,463.

- 36 applications were received
- 12 applications were not eligible due to no quotations submitted, the group have not outstanding receipts from a previous grant issued or the amount sought was under €2,000 and therefore were not eligible due to the Departments rule that allocations must be between €2,000 - €5,000 per project.

The allocations were divided where possible among the Municipal Districts by percentage of applications received for each MD.

The Assessment Group have recommended 9 groups to receive funding under this scheme, I attach their recommendations for your approval.
