

Community Enhancement Programme

Community Centre Community Buildings 2020

The Community Enhancement Programme Community Centres Community Buildings is a new scheme launched this year. The scheme provide capital grants towards the maintenance, improvement and upkeep of community centres and community buildings. Total fund to be allocated under this scheme is €167,006. The amount sought by applicants was €327,860.

- 66 applications were received
- 7 applications were not eligible due to insufficient / no quotations submitted with their application or the group have not submitted receipts from a previous grant issued.
- A number of applications were also received from non disadvantaged areas (according to the Pobal Deprivation Index) and therefore could not be funded.

The allocations were divided among the Municipal Districts by percentage of applications received for each MD.

The Assessment Group have recommended 41 groups to receive an allocation, I attach their recommendations for your approval.
