

Dear Colleagues,

Please circulate to your colleagues, community & networks

Due to the high demand & nature of for this training the South East Regional Family Support Network are delighted to add a second date for roll out this training.

The South East Regional Family Support Network along with representatives of *An Garda Síochána* are inviting you to attend,

Drug-related Intimidation Reporting Programme - Training

Thursday 4th March 2021

11.30 a.m. – 1 p.m.

Through Zoom

What is the Drug-related Intimidation Reporting Programme?

Drug-related intimidation of individuals and families is a serious issue in many communities in Ireland.

Since 2013, a national programme has been in place to respond to the needs of drug-users and family members who are experiencing drug-related intimidation.

What are the aims of the training?

1. To develop participants' skills in responding to cases of drug-related intimidation
2. To help participants to understand the Drug-related Intimidation Reporting Programme and the underlying policy
3. To allow participants to learn from each other and build up mutual understanding and links.

Who is it for?

The workshop is aimed at anyone who comes in contact with instances of drug-related intimidation through their work (paid or unpaid).

Who will deliver the training?

The workshop will be led by staff from the South East Regional Family Support Network and the National Family Support Network, along with representatives of *An Garda Síochána*.

Please RSVP by Feb 11th 2021 to info@serfsn.org
The link will be send to you nearer the date.

Kind regards,

Breda Fell
