Subject: Invitation to LAG Members Antrim Visit re Cross Border LEADER Project
Attachments: Cooperation Itinerary 22nd to 24th February.docx

Dear Chair and members of the LCDC/LAG,

Please see invitation below and attached from WLP S.E.O. Jimmy Taaffe.

There are three places available therefore a timely response will be required to help ensure inclusion. Please respond directly to jimmy.taaffe@wlp.ie

Invitation

We are undertaking a transnational/inter territorial visit to Mid and East Antrim. The visit would be of interest to both the Community Groups in Portlaw and Dunmore East, the PPN and Waterford LCDC and WCCC. There are three places available for the LCDC/LAG members on this trip. The cost to yourselves is your time. The trip is LEADER funded (alcoholic beverages excluded). All Transport, Food, accommodation, and snacks are covered. While this is the final lap of this LEADER Programme, the New Peace Programme is an all-Ireland initiative next time around and there is an opportunity for Waterford to make linkages around Community Funding and Community Projects with Mid and East Antrim Council. There will be a return visit to Waterford by Mid and East Antrim in early March.

Kind Regards

Johnny Codd
