Re.: 31LDRWAT111766 Lismore Music Festival

Dear Sinead,

The above project is complete and awaiting payment. Prior to passing the project to the Art 48 check within your own office, three matters require attention by the L.C.D.C. at their next meeting.

The suppliers that were tendered for prior to COVID-19 have remained the same. However, the Opera that was produced after COVID-19 was different from the Opera that was to be produced initially. This makes no difference to the contract the L.C.D.C. has with the festival, but the equipment rented differed slightly from the original tender in two instances.
