

Round-Table Discussion on Post-Pandemic Youth Mental Health & Wellbeing

This event has been organised by researchers from the **Department of Sociology at the University of Limerick**, and their knowledge partner, the Department of **Children, Equality, Disability, Integration, & Youth (DCEDIY)**. Findings from the 'Growing Up in a Pandemic' project will be presented, followed by a roundtable discussion on the topic of youth mental health & wellbeing post-pandemic. Researchers, policy makers, youth advocates, and other stakeholders are invited to attend and explore how lessons from the pandemic can be applied to policy and practice.
