17th of June 2025

Project number: IE31WAT100008

Dear Sinéad,

I am writing to seek a two-month retrospective contract extension to the project, Provision of facilitation and capacity building support for established/new voluntary groups in County Waterford IE31WAT100008, as the contract lapsed on the 12th of April 2025. The project was delayed initially due to the unavailability of the training provider and due to rescheduling of some of the in-person training sessions, will not conclude until July 2025.

Therefore, a 6-month contract extension is required from the 12th of April to the 12th of October 2025 at the next LAG meeting. The new contract expiry will be the 12th of October 2025.

I also attach recent correspondence received from the Department seeking their assistance on the matter and their advice to seek LAG approval of this retrospective contract extension at the next LCDC meeting.

Yours sincerely,

Claire Connors
